Program 5 Tip Calculator

New Attempt

Due No Due Date **Points** 100 **Submitting** a file upload
Available after Mar 27 at 8am

For this programming assignment you are going to create a tip application in JavaFX. You should finish the week 11 module before writing the user interface. You will need to finish weeks 12 and 13 to write the rest of the code. Be sure to both read the written specifications and watch the sample run video.

Restaurant Tip Program specifications: **Tip Program with Slider.docx**
